

George Grosz

PAUL L. BARUCH INC. - NEW YORK

Table of Contents of the 30 George Grosz Works of Art

Collection of 30 reproductions of drawing and watercolors

[Watercolors are reproduced in black and white in this book (!)]

Collected in a book published by Paul L. Barugh Inc. Printed in 1948

With introduction by Walter Merhling . [This introduction is excluded from this digital rendition of the book because at this time it is someone's intellectual property.]

1. Our World 1918
2. New York 1915
3. Laid Off 1923
4. Engagement Party 1925
5. Finis 1919

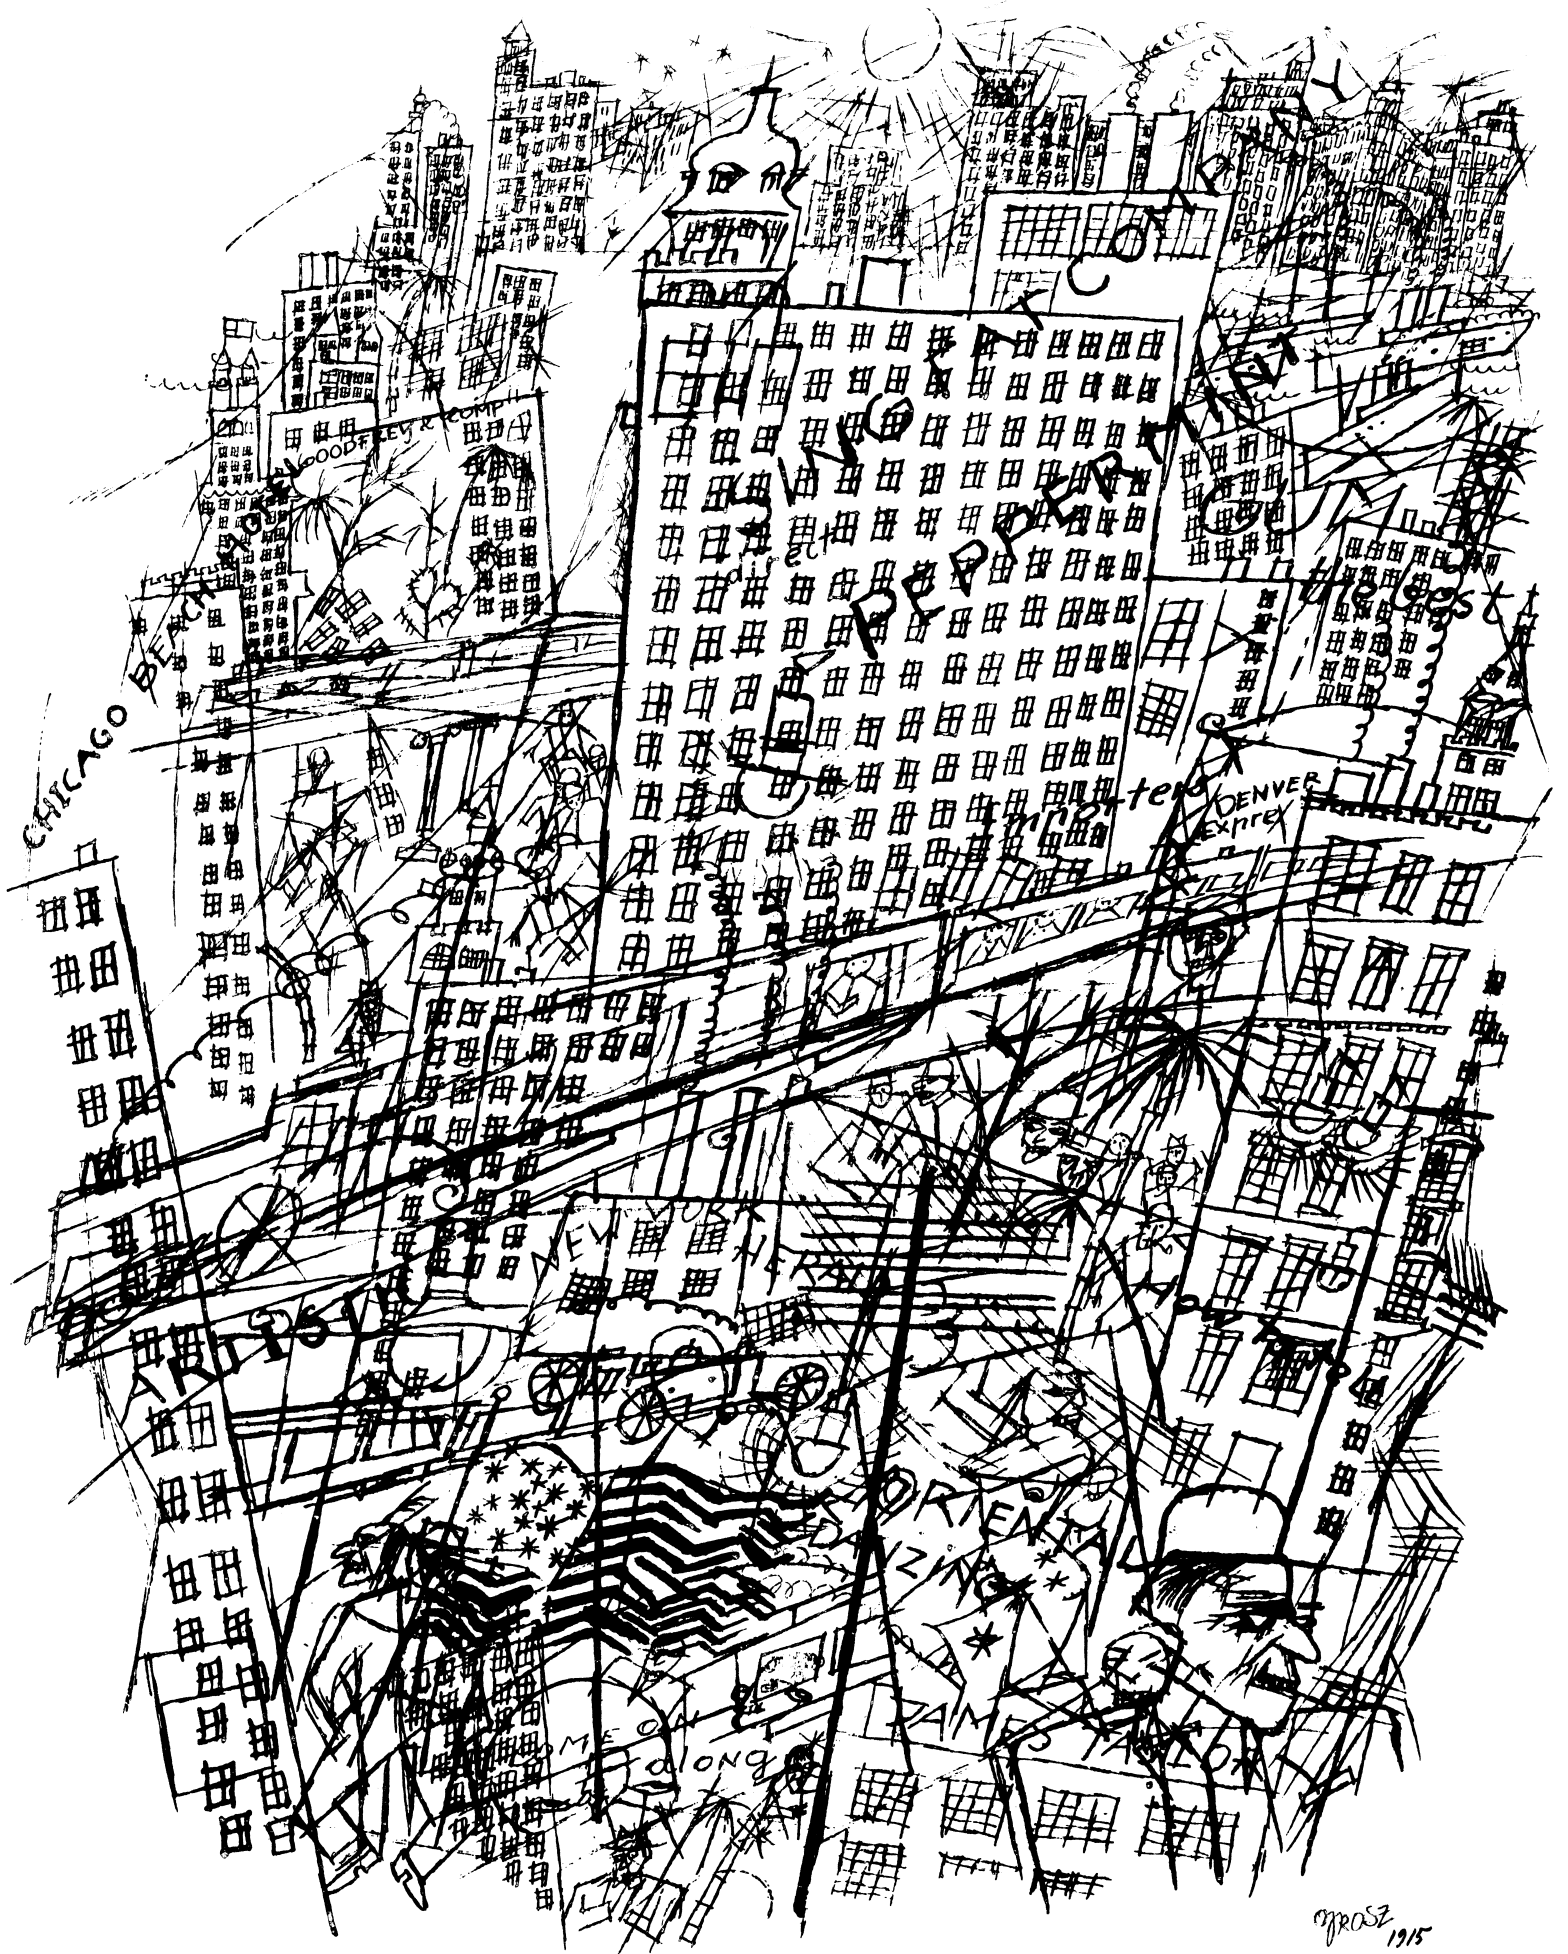

[A reproduction of this drawing is also presented in a collection of 60 drawings by George Grosz in a book published in 1921 titled "The Face of the Ruling Class", and republished with English translations decades later. But in that version, this image's title is given as "End of the Day's Work".]
