

**ARTICLE DENOUNCES ATTEMPT TO KICK OUT
CENTRAL COMMITTEE CULTURAL REVOLUTION SUBCOMMITTEE**

[Following is a translation of an article by the Revolutionary Rebel Team of the Pei-ching Forestry Institute in the Chinese-language newspaper, Hung-wei-ping, No 6, 6 December 1966, p. 4.]

On 30 November a small group of conservatives of the militant Red Guard regiment of the Ministry of Forestry, along with some riffraff, pasted up a large-character poster which read "kick out the Central Committee Cultural Subcommittee; let us undertake revolution ourselves." They ranted something about seizing Ch'i Pen-yu (2058 2609 4416) and comrade Ch'en Po-ta (7115 0130 6671). In this, their vicious countenances were completely revealed.

I would like to ask you: What is the meaning of the attempt to kick out the Central Committee Cultural Revolution Subcommittee? What sort of revolution do you want to carry out?

As everyone knows, the Central Committee Cultural Revolution Subcommittee works under the personal leadership of Chairman Mao. It has consistently upheld the proletarian revolutionary line of Chairman Mao and represented the leadership of Chairman Mao and the Central Committee in the great proletarian cultural revolution. Therefore, it has received the ardent support of the revolutionary masses in the country. It is not at all unusual, indeed it is inevitable, that there should be opposition from a handful of riffraff who stubbornly pursue the reactionary bourgeois line.

In your efforts to kick out the Central Committee Cultural Revolution Subcommittee, you would deny party leadership, Chairman Mao's leadership, and openly assault the headquarters of the proletarian revolution.

Although you say you want to "undertake revolution yourselves", whose revolution would this be? It certainly is not the proletarian revolution! You would eradicate the great proletarian cultural revolution. You take a position completely hostile to the people.

I am warning you, you handful of riffraff in the militant Red Guard regiment of the Ministry of Forestry, the reactionary bourgeois line is completely bankrupt! Kaput! Are you going to cling to your erroneous position? Do you hope to shoot down an elephant with a popgun? That's absurd! We will smash in the head of any dog which dares to oppose Chairman Mao!

You must immediately renounce the criminal behavior of the reactionary bourgeois line which you have engaged in since the start of the great proletarian cultural revolution. If you do not, the teachers and students of the entire ministry (college) will never forgive you! The revolutionary Red Guards will never forgive you!

Firmly hold to the correct leadership of the Central Committee Cultural Revolution Subcommittee!

Beat the dog's head of anyone who opposes Chairman Mao!

Long live the great proletarian cultural revolution! Long live the great leader Chairman Mao!
